PICNIC AREAS

Picnic tables with barbecues are just a short walk from the parking lot. There are individual tables and several areas for larger groups; they are situated in a large lawn area near the children's play area, volleyball court, and horseshoe pit.

For the more adventurous, there is another large picnic area close to the pier at the end of the point, with a bit more of a wilderness feeling, great bay views, and close access to the northern shore of the park. Although this area can be reached by bike or by walking, the shuttle bus provides easier access for those with larger amounts to carry.

Be sure to check the shuttle schedule above if you will need help getting gear from your vehicle to the pier picnic area and back again. To reserve picnic areas for large groups, call (510) 636-1684. Please note: all dogs must be on leash in picnic areas and developed areas, and are not allowed on the shuttle.
